```
(function() {
Scene_Boot.prototype.start = function() {
  Scene_Base.prototype.start.call(this);
  SoundManager.preloadImportantSounds();
  if (DataManager.isBattleTest()) {
    DataManager.setupBattleTest();
    SceneManager.goto(Scene_Battle);
 } else {
    this.checkPlayerLocation();
    DataManager.setupNewGame();
    SceneManager.goto(Scene_Map);
 this.updateDocumentTitle();
};
Scene_Gameover.prototype.gotoTitle = function() {
  $dataSystem.optAutosave = false;
  DataManager.setupNewGame();
  SceneManager.goto(Scene_Map);
};
Scene_GameEnd.prototype.commandToTitle = function() {
  $dataSystem.optAutosave = false;
  DataManager.setupNewGame();
  SceneManager.goto(Scene_Map);
};
Game Interpreter.prototype.command354 = function() {
  $dataSystem.optAutosave = false;
  DataManager.setupNewGame();
  SceneManager.goto(Scene_Map);
